WISCONSIN'S PRIVATE, NONPROFIT COLLEGES WORKING TOGETHER TO ADVANCE EDUCATIONAL OPPORTUNITY

As a result of the U.S. Department of Education's October 2010 Program Integrity/State Authorization final rule, each college and university must be authorized by the State of Wisconsin in order to offer postsecondary education in this state. All WAICU members are in compliance.

WAICU members that **must** submit information related to state authorization or licensure in conjunction with federal program certifications and recertifications, gainful employment filings, audit requirements, etc., should provide [a copy of the joint transmittal letter and Governor's Executive Order 97](#) to the U.S. Department of Education.

Originals of these documents were sent to each WAICU member with the advice to file the documents with each college's other official records.

For more information, e-mail Wendy Wink, WAICU executive vice president, or call her at 608.256.7761, ext. 227.
