THINGS YOU'LL DISCOVER  
IN NORTHERN WISCONSIN

13

NORTHLAND  
COLLEGE

## **LAKE SUPERIOR**

The largest, cleanest freshwater lake in the world. You can sail, paddle, ski, skate, dive in—or sit on the shore of this inland sea and watch the waves roll in.

## **ICE CAVES**

Stunning and serene, they are a destination for people around the world.

## **TRAILS**

Enjoy hundreds of miles of trails and two of the largest races in the world—the Chequamegon Fat Tire and the American Birkebeiner.

# 4

## **APOSTLE ISLANDS**

The 21 islands are a designated national lakeshore area with opportunities for camping, sea kayaking, and sailing.

# 5

## **NORTHERN LIGHTS**

Clear dark skies mean a view to impressive astronomical shows—constellations, meteor showers, the Milky Way, and aurora borealis.

# 6

## **SOLITUDE**

An abundance of quiet. No crowds, little traffic, and plenty of peace.

7

## NATIONAL FOREST

The Chequamegon-Nicolet spans more than 1.5 million acres providing endless opportunities for exploration.

8

## WILDLIFE

Odds are good that you will spot a fox or black bear or hear the yipping of coyotes and howling of wolves.

## NATIVE AMERICAN CULTURE

Four Ojibwe bands of Lake Superior Chippewa reside in northern Wisconsin, hosting powwows and cultural events.

9

# 10

## FISHING

From pan fish to muskies to lake trout and sturgeon, we're rich with trout streams, inland lakes, and of course, Lake Superior.

## WETLANDS

Called the Everglades of the north, the Kakagon and Bad River sloughs are internationally recognized wetlands that provide habitat for wild rice beds, spawning lake sturgeon, and migrating birds.

## COMMUNITY

The northern tip of the state thrives with local foods and music, a vibrant arts scene, film society, shops, restaurants, and the Big Top Chautauqua—an outdoor tented venue for national music acts.

## **NORTHLAND COLLEGE**

Proudly delivering environmentally-focused education for nearly 130 years. Specializing in unique courses, quality internships, and hands-on experiences dedicated to protecting, studying, and researching our natural resources.

# 13

### **Explore. Engage. Enrich Your Life.**

Founded in 1892, Northland College has offered generations of students a pathway to success. Our career-focused, liberal arts curriculum is specially geared towards exploration. It is the culmination of the diverse expertise and life experiences of our faculty, and it's designed to help you explore your options, find your purpose, and prepare you to address the real-world problems you'll face in your personal and professional life.

Our courses are designed to provide you with the tools and confidence you need to be successful, all while providing you with a clear vision of what you want to do and who you want to be. Our general education courses integrate liberal arts with an environmental studies emphasis, preparing you to address the challenges of our times.

#### **EXPLORE YOUR PASSION**

40+ diverse areas of study allow you to explore a variety of career options. You can create an undergraduate experience that is unique to you.

#### **ENGAGE WITH OTHERS**

600 total students means small class sizes, which makes for an intimate education experience and allows you to deeply engage with your fellow students.

#### **ENRICH YOUR LIFE**

The Northland community is committed to environmental sustainability, diversity and inclusion, and a lifestyle that enriches your world view and life, both during and after college.

**“Northland taught me how  
to be independent and  
make my own adventures.”**

**Jane Kittaka '18  
Education Major**

## Why Northland?

### EXPERIENTIAL LEARNING

An education at Northland involves more than just sitting in lecture halls. We combine classroom learning with immersive field studies and opportunities within the community to create a one-of-a-kind learning experience. Our career-focused curriculum will provide you with the tools and confidence to succeed in anything you do.

### PROVEN OUTCOMES

A degree from Northland is your pathway to opportunity. Our 10:1 student-to-faculty ratio allows our professors to personally invest in your success, and the results of this approach speak for themselves. 92% of our recent graduates are employed or in graduate school.

### WILD LOCATION

Our location in Ashland, Wisconsin, a small, safe community of just over 8,000 tucked along the south shore of Lake Superior near the Apostle Islands National Lakeshore and over a million acres of national forest, creates truly unique educational and recreational experiences.

### COMPETITIVE FINANCIAL AID

Think all private colleges are expensive? Think again. With 100% of all Northland College students receiving some form of financial aid, you can receive a private school education at a public school price.

### FULL-SPECTRUM SUSTAINABILITY

At Northland, we live our sustainability mission every day. Going green is a part of everything we do as an institution and everything you'll do as a student—from how you'll live, to what you'll learn, and ways you can contribute.

### BEST & BRIGHTEST MENTORS

Our faculty are passionate about learning—and not just student learning. They are dedicated learners and scholars, and that shines through in the classroom and in the field. And they're more than just teachers. They are mentors who often establish life-long relationships with students.
