Office of Admissions

SAMUEL C. JOHNSON FAMILY SCHOLARSHIP

The purpose of this scholarship is to provide financial support and encouragement to a graduating senior from Drummond High School attending Northland College on a full-time basis. The scholarship will be awarded to one student and will cover full tuition. The recipient will only have responsibility for student fees, course fees, and housing and meal plans, when applicable. The scholarship can be renewed annually for three additional years, contingent on the student maintaining good standing both academically and as a member of the Northland College community.

The recipient of the Samuel C. Johnson Family Scholarship will be selected by representatives of the Northland College Offices of Admissions and Financial Aid, as well as a representative from Drummond High School. Graduating high school seniors must submit all application requirements by March 1, 2024 for consideration. Applications should be emailed to finaid@northland.edu.

The scholarship will be awarded based on an evaluation of the following requested criteria:

- Academic performance and achievement
- Extracurricular activities
- Community service
- Statement of purpose written by the applicant
- Letter of recommendation from a teacher or school administrator

When applicable, applicants will need to complete the Free Application for Federal Student Aid (FAFSA) and have it sent to Northland using our school code (003875).
