➤ **Education**

Doctor of Philosophy in Curriculum and Instruction with an emphasis in Science and Environmental Education. University of Minnesota. Minneapolis. 2010

Master of Arts with Distinction in Outdoor Education. Griffith University. Brisbane, Queensland, Australia. 2000

Bachelor of Arts with Honors and Distinction in Spanish and International Studies. Iowa State University. Ames, Iowa. 1998

➤ **Teaching experience**

Northland College, Ashland, Wisconsin.

Professor of Outdoor Education, 2021 – present

OED 221: Group Process & Leadership, 5 semesters

OED 262: Outdoor Leadership, 1 semester

OED 263: Outdoor Living Skills, 1 semester

OED 264: Outdoor Technical Skills, 2 semesters

OED 276: Foundations & Principles of Outdoor Education, 1 semester

OED 332: Winter Travel & Living Skills, 3 semesters

OED 409: Paddling Instructor Development, 1 semester

OED 446: Wilderness Instructor Training, 2 semesters

OED 470: Enduring & Emerging Issues in Outdoor Education, 2 semesters

OED 472: Accident Theory & Risk Management, 2 semesters

OED 491/2/6: Field Experience/Internship/Capstone, 4 semesters

Associate Professor of Outdoor Education, 2015 – 2021

IDS 250: Pandemic! Northland unites, 1 semester

OED 221: Group Process & Leadership, 13 semesters

OED 263: Outdoor Living Skills, 1 semester

OED 264: Technical Outdoor Skills, 4 semesters

OED 265: Intro to Teaching & Facilitation, 1 semester

OED 272: Accident Theory & Analysis, 2 semesters

OED 276: Foundations & Principles of Outdoor Education, 1 semester

OED 324: Water Skills & Water Travel, 1 semester

OED 326: Woodcraft, Land Travel, & Camping Skills, 2 semesters

OED 332: Winter Travel & Living Skills, 5 semesters

OED 409: Paddling Instructor Development, 1 semester (canceled due to COVID)

OED 446: Wilderness Instructor Training, 3 semesters

OED 470: Enduring & Emerging Issues in Outdoor Education, 5 semesters

OED 472: Accident Theory & Risk Management, 3 semesters

OED 496: Outdoor Education Capstone, 7 semesters

Assistant Professor of Outdoor Education, 2009 – 2015

OED 221: Group Process & Leadership, 11 semesters

OED 262: Environmental Education Curriculum Review, 1 semester
OED 272: Accident Theory & Analysis, 3 semesters
OED 326: Woodcraft, Land Travel, & Camp Skills, 6 semesters
OED 332: Winter Travel & Living Skills, 5 semesters
OED 328: Wilderness Writers & Philosophers, 1 semester
OED 381: Outdoor Education Teaching Techniques, 1 semester
OED 446: Wilderness Instructor Training, 5 semesters
OED 496: Outdoor Education Capstone, 6 semesters
IDS 130: Climate & Complexities of Societal Change, 5 semesters
ECL 368: Interpretation of the Apostle Islands, 1 semester
SLC0705: Ethical Leadership, 5 semesters
SLC0202: Canoe Poling, 4 semesters
SLC0907: Backpacking, 1 semester
SLC0927: Rock Climbing, 1 semester
SLC0132: Ice Climbing, 1 semester

Instructor, University of Minnesota. Responsibilities include curriculum design, course presentation, student evaluation and mentoring.

CI 5537: Principles of Environmental Education, Fall 2006, 2007, 2008

REC 5311: Outdoor and Environmental Education, Fall 2005

Graduate Assistant, University of Minnesota, Department of Curriculum and Instruction. Responsibilities include helping design and implement multiple two-week teacher education institutes and an on-going curriculum development project

CI 5540: Institute for Sustainable Futures Education. Fall 2007 – Summer 2009

Project Adviser, University of Minnesota Program for Individualized Learning. 2006 – 2008. Responsibilities included mentoring undergraduate students, providing ongoing feedback on academic work, and evaluating the students' final projects.

Instructor, Wild Rockies Field Institute, University of Montana. 2001- 2005.

Responsibilities included instructing up to twelve semester-credits of university-level courses during nine-week wilderness expeditions, curriculum development, student evaluation and student recruitment.

Utah Semester Course, 2001, 2003, 2004, 2005

EVST 395: Public Land Issues of the Colorado Plateau

EVST 395: History and Prehistory of the Colorado Plateau

SCI 395: Natural History of the Colorado Plateau

GEOG 351: Geography of the Colorado Plateau

Texas Semester Course, 2003

GEOG 351: Canyons of the Rio Grande: Colorado and Santa Elena

EVST 995: Natural Resource Policies of the Rio Grande Basin

HIST 395: Canyons of the Rio Grande

SCI 395: Canyons of the Rio Grande

Instructor, Course Director and Staff Trainer for Outward Bound Wilderness Schools.

2001-2010. Responsibilities include instructing and course-directing for dogsledding, alpine mountaineering, cross-country skiing, whitewater paddling, rock climbing, canoe and backpack expeditions of up to seventy-days, facilitating ropes courses, team building, leadership development and instructing staff trainings. I have over five-hundred days in the field for Outward Bound with students ranging from age twelve to sixty-one.

➤ **Professional service**

The Journal of Outdoor Recreation, Education, and Leadership

Associate Editor, 2018 - present

Review Board, 2016 - 2018

The Journal of Sustainability Education, Review Board, 2013 – present

The Journal of Experiential Education, Reviewer, 2018 – present

The Association of Outdoor Recreation and Education (AORE)

Past Presidents Advisory Board, 2014 – present

Bylaw Alignment Taskforce, 2020

Board of Directors: Immediate Past President (2012 – 2013), President (2011 – 2012),

Secretary (2010 – 2011), Liaison to the Environmental Stewardship Committee

(2009 – 2010). During my time on the board the AORE grew both membership

numbers and conference attendance by over 50%, significantly increased both

member retention and strategic financial reserves, established an AORE Fund and a

financial advisory committee, hired our first Executive Director, published a

textbook on recreation programming, increased circulation of our *Journal of Outdoor*

Recreation, Education, and Leadership, completed a 2-year self-study and review of

governance structures, developed new MOUs with the American Canoe Association

and the International Mountain Bike Association, convened summits that have

resulted in industry-wide changes in wilderness medicine, climbing walls, bicycle

programming, and access to public lands, and joined the Wilderness Society's newly

formed Access Coalition.

CORRA (College Outdoor Recreation Research and Assessment) Task Force, 2013 –

2014. Responsibilities include preparing whitepaper and press-releases to aid AORE

member programs in responding to public rhetoric questioning the value of college

recreation programs

Northland College

Outdoor Education Program Coordinator, 2014 – present. Responsibilities include

coordinating course offerings, recruiting and training adjunct instructors of skills

courses; coordinating inspection, maintenance and repairs of equipment and teaching

stations, including high and low ropes courses and climbing wall; updating program

policies and procedures manual; performing incident reviews; managing budgets,

hiring student workers; maintaining MOUs, articulation agreements and remotely

offered courses with Audubon Center of the North Woods, NOLS, Outward Bound,

Wilderness Inquiry and Vermillion Community College; coordinating program-level

assessment, including external reviews.

Academic Advising, 2010 – present

Faculty Standing Committees

Tenure Review Committee, 2020 – present

Grievance, 2018 – 2020

Development & Promotion, 2018 - 2020

Academic Council, 2015 – 2017

Assessment, 2012 – 2015

Academic Standings, 2011 – 2013

Faculty ad hoc committee to respond to threat of imminent closure, March – April 2024

Fall Curricular COVID Contingency Planning faculty workgroup, May – June 2020

Graduate Programs Exploratory Committee, 2014

Search Committees for faculty hires in Outdoor Education (2016 & 2019), Education (2018), Bro Endowed Professor of Sustainable Regional Development (2015), Psychology (2014), Graphic Design (2013), Sustainable Community Development (2012), and for staff hires for director of Human Resources (2017), coordinators of Outdoor Orientation (2011) and Loon Watch (2010)
Fitness Center task force, 2013 – 2014. Duties included designing the new climbing wall, soliciting bids from manufacturers, and meeting with contractors
Assessment Council, 2012 – 2015. Duties include helping to design a campus-wide assessment plan and to prepare a report for the Higher Learning Commission
Sustainability Working Group, 2011
Co-Curricular Council, 2011
EcoLeague Committee, 2010 – 2013
Environmental Council, Faculty representative 2009 – 2011
Adviser to ASAP (As Sustainable as Possible) working group, 2009 – 2010
